

2018 FIFA WORLD CUP

14 June — 15 July 2018

The 2018 FIFA World Cup will be held in Russia from 14th June to 15th July.

Russia will offer international visitors the most dynamic possible experience of the 2018 FIFA World Cup™. Spectators, athletes and officials will enjoy a rich and varied experience amid the unique geography and diverse cultures of the host cities.

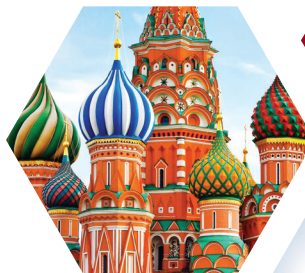

Russia is a country of incomparable beauty, variety and extremes, encompassing the snow-capped peaks of the Ural and Caucasus mountains, the seemingly infinite Siberian forests, the broad rivers stretching across the continent and the deserts and grasslands of its central steppe.

We visited Russia last year to meet with our Russian partners, inspect hotels, stadiums, function venues and we are delighted with how things are shaping up. It promises to be an amazing destination for football fans and we're looking forward to putting together a quality tour to see the Socceroos take on the world.

We are only taking a group of 80-100 dedicated football fans to Russia so that the group is not too large and we can stay at the same hotels and enjoy each others company. So places will be limited as over 20 spots are already reserved for regular clients.
